

COOLING GEL

Cool & Contain Fire up to 5,000° F

Safe for use around pets and children, Firelce® XT is an eco-friendly, easy-to-use, easy-to-clean suppressant gel designed to quickly and efficiently coat, cool, and contain heat-related events.

Firelce® XT Cooling Gel

Tested for Safety & Effectiveness

Incredible Suppression

Firelce® XT Cooling Gel utilizes the same powerful suppression agent as contained in the Firelce® UL-Listed Extinguisher, making it capable of containing a fire up to 5,000° F.

Fire Suppression Ratings

Firelce® XT gel has passed Custom UL 711-40A Listing Equivalent testing.

Eco-Friendly Testing

Firelce® is deemed environmentally benign by the EPA and USDA. Firelce® has been tested by the U.S. Forest Service and is classified as non-toxic to mammals, aquatic, and terrestrial species.

Compliance

Firelce® XT is compliant with DOT 2Q DSC M5749, and contains no CFCs or VOCs per EPA & California Air Resources Board.

Foolproof & Lightweight Design

Easy Cleanup

Firelce® XT is easy to clean with just water.

Sturdy & Reliable

High-density construction and sturdy design make the Firelce® XT Cooling Gel spray a dependable choice for when you need it.

Intuitive Handling

Its foolproof single “handle-direction” orientation makes the Cooling Gel spray canister intuitive for anyone to use during an emergency.

Store Anywhere

A lightweight, slim profile makes it easy to store anywhere, and easy for anyone to handle.
